

CONVERSATION STARTERS

Cut out and assemble a cube. Kids take turns tossing it and answering the questions to get to know each other better.

If you could be any insect,
what would you be? Why?

You can choose one
toy or game to
"magnify" so it is
bigger than you,
What will
you pick?

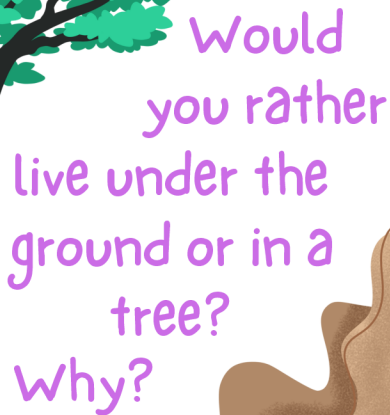

You can hide
any food you
want in an ant
farm, what food
will you
store
there?

Your pet
butterfly
will give
you a ride wherever
you want. Where
will you go?

Would
you rather
live under the
ground or in a
tree?
Why?

You are a
queen
bee!
Who will
live in your hive?

Ready to make it
bigger and better?
Enlarge each
square on a copier
and glue the
squares to the six
sides of a box. Kids
can toss the box in
the air and see
which question
lands on top.
