**T**each children about Jesus  
**R**eflect Christ's love  
**E**njoy time with the church community  
**E**ncourage spiritual growth

**N**urture young faith  
**O**ffer your gifts to God  
**R**each the unchurched  
**T**ransform lives (even your own!)  
**H**ave fun while serving

Thank you

for serving!

# reasons to **VOLUNTEER** at

## **T**each children about Jesus

Volunteering gives you the chance to share the life-changing message of the Gospel with young hearts.

## **R**eflect Christ's love

Your service shows kids what God's love looks like in action—kindness, patience, and joy.

## **U**nite with the church community

VBS brings people together across generations to serve with one heart and purpose.

## **E**ncourage spiritual growth

Helping out at VBS often deepens your own faith as you guide and learn alongside the children.

## **N**urture young faith

You play a vital role in planting seeds of faith that can grow for a lifetime.

## **O**ffer your gifts to God

Whether it's music, teaching, crafts, or organization—VBS is a perfect way to use your talents for His glory.

## **R**each the unchurched

Many kids who attend VBS aren't part of a church family, making this an incredible outreach opportunity.

## **T**ransform lives (even your own!)

God often uses VBS to make lasting impacts—not only on the kiddos, but on the volunteers too.

## **H**ave fun while serving

With all the games, laughter, music, and creativity, we'll surely have mountains of fun serving at True North!

*Thank you for using your time, gifts, & talents to  
change lives through our True North VBS Adventure!*
