that you know everything—every moment of
preparation, every interaction with a child that will
take place this week, and every quiet act of faith.

All:

Thank you, Gracious God.

Leader:

When the days feel full or the work feels hard, be a
safe place for our volunteers, renewing their strength
and giving them peace.

All:

Thank you, Gracious God..

Leader:

Let your love be seen through their patience,
kindness, and care, so every child experiences the
truth that you are love.

All:

Thank you, Gracious God.

Leader:

And remind us that you are forever. You are faithful
before this week begins, present in every moment,
and at work long after VBS is finished.

All:

Thank you, Gracious God.

Leader:

Bless our volunteers, multiply their efforts, and use
their service to draw children closer to you.

All:

Thank you, Gracious God.

We commit this week to you. Be
glorified in every moment. Go before,
behind, and within these volunteers.
And let the love of Jesus shine bright.

All:

*Thank you, Gracious God. We commit
ourselves to serve with joy, to love with
compassion, and to cover this week in
prayer. Use us for your glory.*

In Jesus' name,

Amen.

Prayer of Blessing for Rainforest VBS Volunteers

Heavenly Father,

We come to you with grateful hearts for the faithful volunteers who have said “yes” to serving during this upcoming week of Rainforest VBS. You are our Creator, and you have lovingly shaped each of these leaders with unique gifts, compassion, and purpose.

Lord, we ask your blessing over their time, their energy, and their hearts. You see every late night of prep, every rearranged schedule, every small act of service done in your name. Pour out your strength and joy over them as they give generously and love deeply.

As we explore the nature of who you are, remind them that you know everything— every moment of preparation, every interaction with a child that will take place this week, and every quiet act of faith.

When the days feel long or the moments feel heavy, be their safe place, renewing their strength and filling them with peace.

Let your love flow through their words, their patience, and their care for every child they encounter.

And anchor their hearts in the truth that you are forever—faithful yesterday, present today, and at work long after this week ends.

Bless their service, multiply their impact, and use them to help children see and know you more clearly.

We entrust this week to you, Lord. May you use it, along with each of these faithful volunteers, for your Kingdom.

In Jesus’ name we pray,

Amen
