

Shining Jesus' Light!

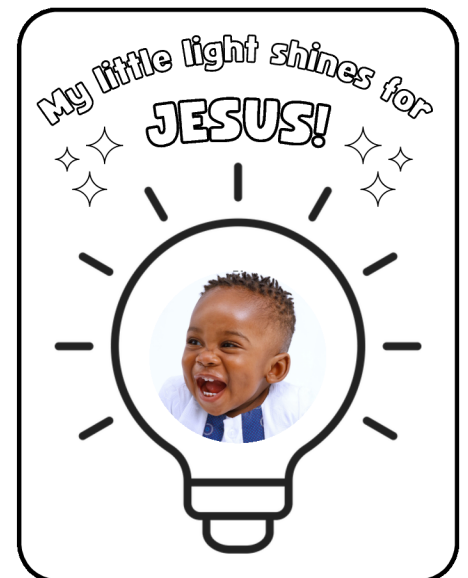

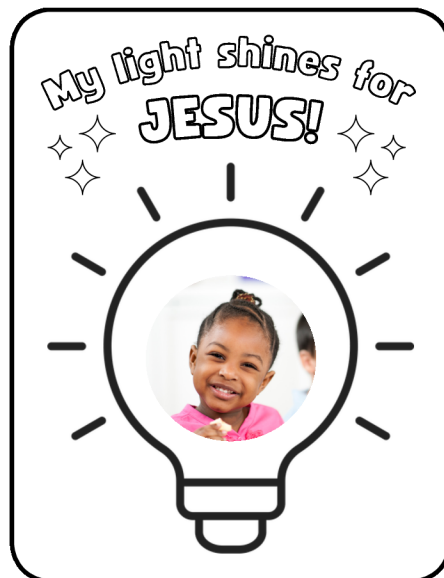

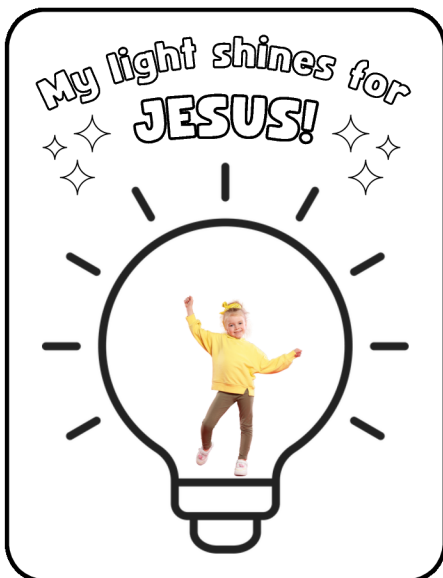

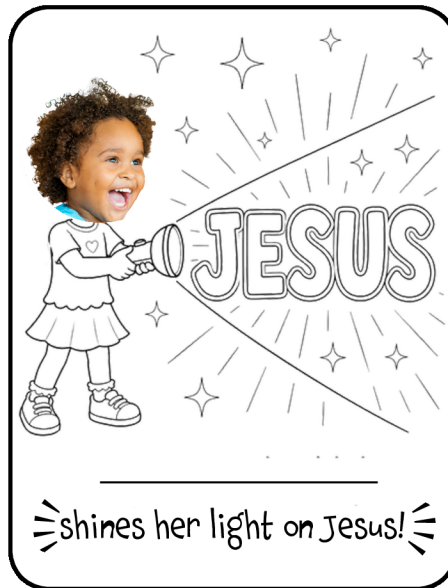

Preschool Photo Craft

DIRECTIONS:

1. Take a photo of each child
2. Cut out the photo (by hand or with a circle cutter)
3. Use a glue stick to attach the photo
4. Color the picture
5. If you wanna get really fancy, glue it to construction paper so it is framed

OPTION: Instead of cutting and gluing the photo, You can add the picture digitally in Canva before printing the coloring page.
